BRAF's 2024 "Take Part in Art" series continues with the "Watercolor Travel Sketchbook" class on June 18th, 10am - 1pm at the BRAF Gallery instructed by Jeannette Kogeler, Toronto water colorist and Recipient of a Chateau Orquevaux residency in Champagne-Ardenne, France.

Step up and join eight other like other likeminded artists for this adventure. The class will include hands-on instruction in watercolor technical skills, basic color mixing, and managing and drawing from observation.

Learn, refine, and explore methods to sketch your ideas into pleasing compositions with color. You will learn how to set up a mini "studio space", En Route, easily set up on a desk corner and tucked away in a small backpack. For this workshop class you will use YOUR own photos, memories, and souvenirs as still life objects.
